

DESIGN CONCEPTS

1. Coupling

1.1. Content Coupling

| Related modules | Description | Improvement |
|-----------------|-------------|-------------|
| None | | |

1.2. Common Coupling

| Related modules | Description | Improvement |
|-----------------|-------------|-------------|
| None | | |

1.3. Control Coupling

| Related modules | Description | Improvement |
|-----------------|-------------|-------------|
| None | | |

1.4. Stamp Coupling

| Related modules | Description | Improvement |
|-----------------|-------------|-------------|
| | | |

1.5. Data Coupling

| Related modules | Description | Improvement |
|-----------------|-------------|-------------|
| | | |

2. Cohesion

2.1. Coincidental Cohesion

| Related modules | Description | Improvement |
|-----------------|-------------|-------------|
| None | | |

2.2. Logical Cohesion

| Related modules | Description | Improvement |
|-----------------|-------------|-------------|
| None | | |

2.3. Temporal Cohesion

| Related modules | Description | Improvement |
|-----------------|-------------|-------------|
| None | | |

2.4. Procedural Cohesion

| Related modules | Description | Improvement |
|-----------------|-------------|-------------|
| | | |

2.5. Communication Cohesion

| Related modules | Description | Improvement |
|-----------------|-------------|-------------|
|-----------------|-------------|-------------|

| | | |
|--|--|--|
| | | |
|--|--|--|

2.6. Sequential Cohesion

| Related modules | Description | Improvement |
|-----------------|-------------|-------------|
| | | |

2.7. Informational Cohesion

| Related modules | Description | Improvement |
|-----------------|-------------|-------------|
| | | |

2.8. Functional Cohesion

| Related modules | Description | Improvement |
|-----------------|-------------|-------------|
| | | |
